AN ACT

To amend chapter 37, RSMo, by adding thereto two new sections relating to the Missouri accountability portal.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Chapter 37, RSMo, is amended by adding thereto two new sections, to be
2 known as sections 37.855 and 37.857, to read as follows:

**37.855. 1. The office of administration shall maintain public school accountability
2 information on the Missouri accountability portal established under section 37.850. The
3 Missouri accountability portal shall provide public access to a complete, transparent, and
4 comprehensive database of school district and charter school financial and policy
5 information as a means of creating better public understanding of public school policies,
6 practices, and operations.**

**7 2. The department of elementary and secondary education shall collect and
8 transmit, to the office of administration, the public information applicable to all public
9 schools as provided in this section.**

**10 3. School districts and public charter schools shall annually provide the department
11 with detailed compensation information for all school employees including the adopted
12 salary schedules with the number of employees in the various subcategories of the
13 schedules, all extra duty compensation, all employee benefits, the school calendar, the
14 district budget, and local school board or public charter school policies. School districts
15 and charter schools shall provide all information required under this subsection to the**

16 department in an electronic format that is commonly used by the school district in its
17 communications with the department.

18 4. The department shall establish clear standards for public school budget format
19 and detail, to ensure that all school district and charter school budgets contain all
20 necessary information.

37.857. 1. The office of administration shall maintain county government
2 accountability information on the Missouri accountability portal established under section
3 37.850. The Missouri accountability portal shall provide public access to a complete,
4 transparent, and comprehensive database of county government financial and policy
5 information as a means of creating better public understanding of county government
6 policies, practices, and operations.

7 2. Individual county governmental entities shall collect and transmit, to the office
8 of administration, the public information applicable to all county governments as provided
9 in this section.

10 3. Specifically, local governmental entities shall annually provide to the office of
11 administration detailed compensation information for all government employees including
12 the adopted salary schedules with the number of employees in the various subcategories
13 of the schedules, all extra duty compensation, all employee benefits, and the county budget.
14 The office of administration shall establish clear standards for budget format and detail,
15 to ensure that all county government budgets contain all necessary information.
